Friday, May 30, 2008 4:30 PM–5:30 PM

“...But in every moment the quality of your life is on the line. Life is a series of moments. In each, you are either awake or you are asleep—fully alive or relatively dead.’ I vowed never again to treat any moment as ordinary.”

—Dan Millman

### **Objectives**

- Understanding the extraordinary in the ordinary
- Using “ordinary” circumstances as inspiration and motivation for you and your students

### **What Is Inspiration**

### **Finding Inspiration**

### **Conveying the Message**

### **Reading Feedback**

**Please remember to submit a session evaluation.  
Your feedback is important to us!**
